Subject: Johns Hopkins Medicine Holiday Gift Program Information

To Johns Hopkins Medicine community

Dear Colleagues,

Amid the challenges of the past 10 months, you have selflessly committed yourselves to our patients and our mission. **To honor our extraordinary people and your extraordinary moments this year, a generous donor wishes to acknowledge Johns Hopkins Medicine employees for your work during the COVID-19 pandemic.**

The donor wants to give JHM staff members a token of gratitude. All full-time and part-time employees may choose from a selection of JHM-branded outerwear in the jhmgift.com holiday store.

Important program information:

- Full-time and part-time employees are **limited to one holiday gift from a selection of eight choices.**
- Employees must use their **JHED ID** to obtain the employee holiday gift.
- Employee holiday gifts are redeemable until Jan. 31, 2021.
- Employees must be actively employed at the time of redemption to receive the employee holiday gift.

To redeem your 2020 Johns Hopkins Medicine employee holiday gift:

- Visit jhmgift.com or use the QR code in the [employee holiday gift program flyer](#).
- Browse and choose from the selection of holiday gifts.
- Enter your name, JHED ID and shipping address at checkout.

Please review the [JHM employee holiday gift FAQs](#) for more information. Contact the HR Solution Center at 443-997-5400 or hrsc@jhmi.edu if you have questions regarding your eligibility for the employee holiday gift or if you need help accessing your JHED ID.

If you encounter technical issues when placing your order, or if you would like an update on the status of your order, please email the Adform support team at support@adformgroup.com or call 410-242-1167.

Thank you for everything you do for Johns Hopkins Medicine. We wish you a happy, safe and healthy holiday season.

Sincerely,

Paul B. Rothman, M.D.
Dean of the Medical Faculty
CEO, Johns Hopkins Medicine

Kevin W. Sowers, M.S.N., R.N., F.A.A.N.
President, Johns Hopkins Health System
EVP, Johns Hopkins Medicine
