

The Office of Research Career Development at the  
University of Maryland School of Medicine invites you to attend the:

## **Funding Success at the National Science Foundation (NSF):** *Tips for Identifying the Right Funding Opportunity and Applying to the NSF*

**Tuesday, November 17, 2020**

**1:00– 2:30pm**

**Zoom**

**Guest Speaker:**

**Edda (Floh) Thiels, PhD**

Program Director, Neural Systems Cluster, National Science Foundation

The **National Science Foundation (NSF)** is an independent federal agency and funds basic research and education in most fields of science and engineering. This seminar will focus on grantsmanship and funding opportunities offered by NSF.

**Major subjects will include:**

- The NSF's mission
- Identifying the right NSF funding opportunity
- Specific biology-related funding opportunities
- How to apply
- Elements of a competitive proposal
- NSF review process

**Target Audience:** Faculty and senior postdoctoral fellows

**Registration (required):**

<https://www.eventbrite.com/e/funding-success-at-the-national-science-foundation-nsf-tickets-123360274903>

*A Zoom link will be emailed to all registrants a few days before the session.*

**Questions?** Please contact **Stacie Mendoza** at [smendoza@som.umaryland.edu](mailto:smendoza@som.umaryland.edu)

**NOTE:** This session is open to all academic institutions in the region. For more information on NSF Funding, visit: <https://www.nsf.gov/funding/>
