

SOM Benefits for Postdoctoral Research Fellows: An Informational Session

Date: Thursday November 12th, 2020; Time: 3:00-4:00 pm

The Office of Postdoctoral Affairs is pleased to host a virtual session on SOM benefits for postdoctoral research fellows in collaboration with the Registrar's Office. This informational session will cover the basics of SOM postdoctoral benefits including medical benefits, tuition remission, salary and taxes, and childcare benefits. A panel discussion in the second half of the session will address questions submitted ahead of time. Pre-registration is required to participate in the session and submit your questions.

Panelists and Presenters: Cassie Klein, Graduate Medical Education and Postdoctoral Programs Administrator; Terri Smith, SOM Benefits Manager, Office of the Registrar; and Dr. Bryant Faust, Associate Dean and Registrar. Session moderator: Dr. Dana Boatman, Associate Dean for Postdoctoral Affairs.
