This memorandum summarizes the parking and transportation arrangements available to Third and Fourth Year Medical Students. Please use the free scheduled Johns Hopkins Medical Institutions van service or the Shuttle Services provided by the transportation department. These services are described on the Johns Hopkins Security, Parking and Transportation website at http://www.hopkinsmedicine.org/security_parking_transportation/.

1) Parking - Garage parking provided for all 3rd and 4th year students

Garage Parking - Johns Hopkins Medical Institutions

ID badges for members of the 3rd and 4th year classes have been activated to permit access to either the Ashland garage, Caroline St. garage, or McElderry St. garage.

Parking utilization will be closely monitored. Parking privileges will be revoked for anyone who allows non-authorized use of an I.D. badge for parking.

Parking - The Johns Hopkins Bayview Medical Center

Parking will be provided to students on rotation to Johns Hopkins Bayview Medical Center. The required clerkship administrators will have you complete a dual access parking form at the time assignment is made to JHBMC. While on the Bayview campus the JHBMC parking office will either assign you to the Northeast lot or the Staff lot, dependent upon availability.

FREE Garage Parking (all garages EXCEPT Ashland Garage and KKI) - After 4:00 p.m. - Johns Hopkins Medical Institutions
