Our dedication to fundraising with United Way makes us proud because we know we are helping create stronger communities, healthier families, and better lives for those in our community.

We're kicking off our United Way fundraiser today through December 16th - we want you to help us make a difference.

United Way of Central Maryland and United Way of the National Capital Area strive to make lives better for everyone; working with families to keep them in their homes and out of shelters, with kids who are falling behind in school, and with people who need healthy food and jobs to pay the bills.

Your gift to United Way can make a difference in the life of a child, a veteran, a struggling family, or even someone you may know.

We're so grateful for your participation.
