

CURRICULUM VITAE FOR ACADEMIC PROMOTION
The Johns Hopkins University School of Medicine

Timothy James McCulley

DEMOGRAPHIC AND PERSONAL INFORMATION

Current Appointments

- 2013-present Vice Chair for Strategic Planning, Wilmer Eye Institute, Johns Hopkins University School of Medicine
- 2011-present Associate Professor, Wilmer Eye Institute, Johns Hopkins University School of Medicine
- 2008-present Director, ASOPRS Fellowship Program, Ophthalmic Plastic Surgery, Orbital Surgery, and Neuro-ophthalmology

Personal Data

Department Wilmer Eye Institute

Address Johns Hopkins School of Medicine
600 North Wolfe Street
Wilmer 110
Baltimore, MD 21287

Phone 443 889-1550

Email tmccull5@jhmi.edu

Education and Training

Undergraduate	
1991	BA, Biology, Claremont Colleges, Pitzer College, Claremont, CA
Doctoral/graduate	
1995	MD, Washington University School of Medicine, St Louis, MO
Postdoctoral	
1995-1996	Intern, Transitional, University of Hawaii, Honolulu, HI
1996-1999	Resident, Ophthalmology, Stanford University, Stanford, CA
1999-2000	Fellow, Neuro-ophthalmology, Bascom Palmer Eye Institute, University of Miami, Miami, FL, Primary preceptor: Byron L Lam
2000-2002	Fellow, (ASOPRS) Ophthalmic Plastic and Reconstructive Surgery, Wright State University and University of Cincinnati, Cincinnati, OH Primary preceptors: John D Bullock and Dwight R Kulwin
Additional Training	
2014	Leadership Development Program, Johns Hopkins University School of Medicine, Baltimore, MD

Professional Experience

2002-2003	Assistant Professor, Department of Ophthalmology, University of California, Irvine, CA
2002-2003	Assistant Professor, Division of Plastic Surgery (Joint Appointment), University of California Irvine, Irvine, CA
2002-2003	Director, Ophthalmic Plastic and Reconstructive Surgery, University of California Irvine, Irvine, CA
2002-2003	Director, Ophthalmic Plastic and Reconstructive Surgery, Veterans Administration Hospital, Long Beach, CA
2003-2006	Assistant Professor, Department of Ophthalmology, Stanford University, Stanford, CA
2003-2006	Director, Ophthalmic Plastic and Reconstructive Surgery, Stanford University School of Medicine, Stanford, CA
2003-2006	Director, Neuro-ophthalmology, Stanford University School of Medicine, Stanford, CA
2005-2006	Co-director, Fellowship Program, Neuro-ophthalmology, Stanford University School of Medicine, Stanford, CA
2006-2008	Assistant Professor, Department of Ophthalmology, University of California, San Francisco, CA
2008-2010	Associate Professor, Department of Ophthalmology, University of California, San Francisco, CA
2006-2010	Director, Ophthalmic Plastic and Reconstructive Surgery, University of California San Francisco, San Francisco, CA
2006-2010	Director, Ophthalmic Plastic and Reconstructive Surgery, Veterans Administration Hospital, San Francisco, CA
2006-2010	Director, Fellowship Program, Oculoplastic Surgery, Orbital Surgery and Neuro-Ophthalmology; University of California San Francisco, San Francisco, CA
2009-2010	Director, Fellowship Program, American Society of Ophthalmic Plastic and Reconstructive Surgery (ASOPRS) Fellowship in Oculoplastic Surgery, Orbital Surgery and Neuro-ophthalmology
2010-present	Director, ASOPRS Fellowship Program, Ophthalmic Plastic Surgery, Orbital Surgery, and Neuro-ophthalmology, Johns Hopkins University School of Medicine
2011-2013	Director, Division of Ophthalmic Plastic and Reconstructive Surgery, King Khaled Eye Specialist Hospital (KKESH)

2011-present Associate Professor, Wilmer Eye Institute, Johns Hopkins University School of Medicine

RESEARCH ACTIVITIES

Peer-reviewed Original Science Research

1. **McCulley TJ**, Lam BL, Marmor MF, Hoffman KB, Luu JK. Acute effects of sildenafil (Viagra) on blue-on-yellow and white-on-white Humphrey perimetry. *J Neuro-ophthalmol* (cover/lead article) 2000;20:227-8.
2. Song A, **McCulley TJ**, Alfonso E, Lam BL, Feuer WJ. Pseudomonas aeruginosa corneal in-vitro isolate sensitivity to Ofloxacin, Ciprofloxacin and Trovafloxacin: a comparative study. *Amer J Ophthalmol* (cover article) 2001;131:795-6.
3. **McCulley TJ**, Lam BL, Feuer WJ. Incidence of nonarteritic anterior ischemic optic neuropathy following cataract extraction. *Ophthalmology* (cover article) 2001;108:1276-9.
4. Luu JK, Chappelov AV, **McCulley TJ**, Marmor MF. Acute effects of Sildenafil on the electroretinogram and multifocal electroretinogram. *Amer J Ophthalmol* 2001;132:388-94.
5. **McCulley TJ**, Eifrig C, Lam BL. Infraorbital nerve palsy: an unusual complication of laser in situ keratomileusis. *Amer J Ophthalmol* 2002;134:264-5.
6. **McCulley TJ**, Bullock JD, Warwar RE, Hood DL. Cervical carcinoma metastatic to the orbit. *Ophthalmic Plastic Recon Surg* 2002;18:385-7.
7. **McCulley TJ**, Kersten RC, Yip CC, Kulwin DR. Isolated unilateral neurogenic blepharoptosis secondary to eyelid trauma. *Am J Ophthalmol* 2002;134:626-7.
8. **McCulley TJ**, Yip CC, Kersten RC, Kulwin DR. An ectopic site of lacrimal gland secretion of the external eyelid: an unusual cause of epiphora. *Arch Ophthalmol* 2002;120:1586-1587.
9. **McCulley TJ**, Luu JK, Marmor MF. Effects of sildenafil citrate on ocular blood flow. *Ophthalmologica* 2002; 216: 455-8.
10. Yip CC, **McCulley TJ**, Kersten RC, Kulwin DR. Proptosis after hair pulling. *Ophthalmic Plastic and Recon Surg* 2003;19:154-5.
11. **McCulley TJ**, Lam BL, Bose S, Feuer WJ. The effect of optic disk edema on spontaneous venous pulsations. *Am J Ophthalmol* 2003;135:706-8.
12. Yip CC, **McCulley TJ**, Kersten RC, Bowen AT, Alam S, Kulwin DR. Adult nasolacrimal duct mucocele. *Arch Ophthalmol* 2003;121:1065-6.
13. **McCulley TJ**, Kersten RD, Kulwin DR, Feuer WJ. Outcome and influencing factors of external levator palpebrae superioris aponeurosis advancement for blepharoptosis. *Ophthalmic Plastic Recon Surg* 2003;19:388-93.

64. **McCulley TJ**. Sphenoid Sinus Expansion: A Radiographic Sign of Intracranial Hypotension and the Sagging Brain, Sunken Eyes Syndrome. *Trans Am Ophthalmol Soc* 2013;111:145-54.
65. Yoon MK, **McCulley TJ**. Autologous dermal grafts as posterior lamellar spacers in the management of lower eyelid retraction. *Ophthal Plast Reconstr Surg* 2014;30:64-8.

Research Program Building / Leadership

- | | |
|-----------|---|
| 2005-2006 | Co-director, Fellowship Program, Neuro-ophthalmology, Stanford University School of Medicine, Stanford, CA, In this capacity I was in part responsible for the clinical and research training of a neuro-ophthalmology fellowship program. |
| 2006-2008 | Director, Fellowship Program, Oculoplastic Surgery, Orbital Surgery and Neuro-Ophthalmology; University of California San Francisco, San Francisco, CA, In this capacity I was responsible for the clinical and research training participants in our fellowship program, |

2008-present Director, Fellowship Program, American Society of Ophthalmic Plastic and Reconstructive Surgery (ASOPRS) Fellowship in Oculoplastic Surgery, Orbital Surgery and Neuro-ophthalmology, In this capacity I serve as the primary preceptor for an American Society of Ophthalmic Plastic and Reconstructive Surgery approved fellowship including clinical and research activities.

EDUCATIONAL ACTIVITIES

Educational Publications

Invited Review Articles and Editorials

1. Yoon MK, **McCulley TJ**. Orbital Disease in Neuro-ophthalmology. *Neurol Clin* 2010;28:679-99.
2. Phan LT, Hwang TN, **McCulley TJ**. Evisceration in the Modern Age. *Middle East Afr J Ophthalmol* 2012;19:24-33.
3. Phan LT, Piluek WJ, **McCulley TJ**. Orbital Trapdoor Fractures. *Saudi J Ophthalmol* 2012;26:277-82.
4. **McCulley TJ**. Ischemic Optic Neuropathy and Cataract Extraction: What Do I Need to Know? *Oman J Ophthalmol*. 2012;5:141-3.

Letters, correspondence

1. Kersten RC, **McCulley TJ**. Re: "Transient descent of the contralateral eyelid in unilateral ptosis surgery". *Ophthal Plast Reconstr Surg*. 2009;25:419-20.
2. Pereira LS, Yoon MK, Hwang TN, Hong JE, Ray K, **McCulley TJ**, Porco T. Giant Cell Arteritis in Asians: Authors' response. *Br J Ophthalmol*. 2011;23.
3. Yoon MK, **McCulley TJ**, Horton JC. Brow ptosis after temporal artery biopsy. *Ophthalmology*. 2013;120.
4. **McCulley TJ**. Comment on Temporal artery biopsy. A national survey of practice patterns: temporal artery biopsy. *Ophthalmology* 2013;120:e84-5.
5. Yoon MK, **McCulley TJ**. Reply Re: "Secondary tarsoconjunctival graft: a modification to the Cutler-Beard procedure". *Ophthal Plast Reconstr Surg*. 2014;30:74

Books/Textbooks (editor)

1. AAO: BCSC Section 7: Orbit, Eyelids, and Lacrimal System. American Academy of Ophthalmology: San Francisco; annual revisions 2005-2008.
2. Kersten RC, **McCulley TJ**. *Curbside Consults in Oculoplastic Surgery*. Slack Incorporated, New Jersey: 2010.
3. Kersten RC, **McCulley TJ**. *Curbside Consults in Oculoplastic Surgery (second edition)*. Slack Incorporated, New Jersey (in preparation).

Book Chapters (author)

1. **McCulley TJ**. Lacrimal System: Anatomy and Physiology. In: *Orbit, Eyelids, and Lacrimal System*. American Academy of Ophthalmology: San Francisco: 2007.

2. **McCulley TJ.** Abnormalities of the Lacrimal Secretory and Drainage Systems: Diagnosis and Management. In: Orbit, Eyelids, and Lacrimal System. American Academy of Ophthalmology: San Francisco: 2007.
3. **McCulley TJ.** Eyelid Reconstruction. In Persing and Evans: Soft-Tissue Reconstruction of the Craniofacial Region. Informa Healthcare, London: 2007.
4. **McCulley TJ, Hwang TN.** Blepharospasm. In Curbside Consultation in Neuro-ophthalmology. Slack inc: 2008.
5. **McCulley TJ** (contributing author) Chapter 1: Orbit. In Freidman, Kaiser and Trattler: Review of Ophthalmology. Elsevier Saunders, St Louis: 2008.
6. **McCulley TJ** (contributing author) Chapter 2: Ocular Motility and Cranial Nerves. In Freidman, Kaiser and Trattler: Review of Ophthalmology. Elsevier Saunders: St Louis: 2008.
7. **McCulley TJ** (contributing author) Chapter 3: Lids, Lashes and Lacrimal System. In Freidman, Kaiser and Trattler: Review of Ophthalmology. Elsevier Saunders, St Louis: 2008.
8. **McCulley TJ** (contributing author) Chapter 7: Iris and Pupil. In Freidman, Kaiser and Trattler: Review of Ophthalmology. Elsevier Saunders, St Louis: 2008.
9. **McCulley TJ** (contributing author) Chapter 11: Optic Nerve and Glaucoma. In Freidman, Kaiser and Trattler: Review of Ophthalmology. Elsevier Saunders, St Louis: 2008.

Other media (films, videos, CD-ROMS, slide sets, etc)

- 2003 Interviewed by BBC news regarding ischemic optic neuropathy (featured on electronic and broadcast reports)
- 2004 Research on ischemic optic neuropathy featured on NBC news
- 2007 Interviewed by Fox 2 news regarding scotopic sensitivity syndrome (Irlen Syndrome)
- 2007 Video interview for internet web site (neuro-ophthalmology section)
- 2007 Video interview for internet web site (ophthalmic plastic section)
- 2008 Video interview released to press for AAO on "Holiday Safety"
- 2008 Video interview for internet web site (orbital prosthesis)

Teaching

Classroom instruction/Resident lectures (one to two hours each)

- 2002-03 Oculoplastic resident lecture series, University of California Irvine, Irvine, CA. (I was responsible for designing and supervising the oculoplastic lecture series, I gave the majority of the oculoplastic lecture, the exact number and titles of the lectures was not recorded)
- 2002-03 Neuro-ophthalmology resident lecture series, University of California Irvine, Irvine, CA. (the exact number and titles of the lectures was not recorded)
- 2003 - 06 Oculoplastic resident lecture series, Stanford University, Stanford, CA. (I was responsible for designing and supervising the oculoplastic lecture series, I gave the majority of the lectures, the exact number and titles of the lectures was not recorded)
- 2003-06 Neuro-ophthalmology resident lecture series Stanford University, Stanford, CA. (I was responsible for designing and supervising the neuro-ophthalmology lecture series, I gave the majority of the lectures, the exact number and titles of the lectures was not recorded)
- 2006 to 2010 Oculoplastic resident lecture series, University of California San Francisco, San Francisco, CA. (I was responsible for designing and supervising the oculoplastic lecture series, I gave the lectures listed below)
- 2006 *Blepharoptosis, the basics; Orbital infectious and inflammatory disease*
- 2007 *Ophthalmic plastic emergencies; Common findings in oculoplastics; Blepharoptosis: Diagnosis and Management; Orbital inflammation and cellulitis; Periocular involuntional changes*
- 2008 *Surgical Approach to Orbital Neoplasm; Blepharoplasty video lecture; Oculoplastic emergencies; Blepharoptosis: the basics; Ectropion and entropion; Orbital inflammation; Oculoplastic consults; Lacrimal drainage system; Upper blepharoplasty*
- 2009 *Blepharoptosis: Diagnosis and Management; Oculoplastic emergencies; Common findings in oculoplastics; Lower eyelid malposition: Entopion and Ectropion; Oculoplastic emergencies; Oculoplastic consults; Orbital trauma*
- 2010 *Blepharoptosis: diagnosis and management; Introduction to oculoplastic surgery*
- 2006 to 2010 Neuro-ophthalmology resident lecture series, University of California San Francisco, San Francisco, CA. (I was responsible for designing and supervising the neuro-ophthalmology lecture series, I gave the majority of the lectures, listed below)
- 2007 *Neuro-ophthalmologic emergencies*
- 2008 *Optic nerve, anatomy and evaluation; The swollen nerve; Visual field testing in ophthalmology; Chiasmal and post-chiasmal lesions; Optic neuropathies, part 1: Anterior Ischemic Optic Neuropathy; Optic neuropathies, part 2: Case discussions; Giant cell arteritis; Extraocular motility; Management of diplopia; Supranuclear and intranuclear extraocular motility; Nystagmus and related disorders; Neuro/Orbit emergencies*
- 2009 *Functional visual loss; Transient visual changes; Multiple sclerosis and optic neuritis; Neuro-ophthalmology and systemic disease; Neuro-ophthalmic emergencies; Neuro-ophthalmic emergencies*
- 2010 *Visual field testing in neuro-ophthalmology; Chiasmal and post-chiasmal lesions*
- 2011 to 2012 Resident lectures at King Khaled Eye Specialist Hospital:

- 2011 Resident lectures at King Khaled Eye Specialist Hospital: *Orbital trauma, Orbital inflammatory disease, Soft tissue trauma, Blepharoplasty, Lower eyelid malposition, Blepharoptosis: Evaluation, Blepharoptosis: Management*
- 2012 Resident lectures at King Khaled Eye Specialist Hospital: *Thyroid Eye Disease, Orbital Inflammatory Syndrome, Blepharoptosis: Evaluation, Blepharoptosis: Management, Lacrimal Drainage System, Orbital Trauma, Soft Tissue Trauma*

2013 to present Resident lectures and teaching sessions at Wilmer

- 2013 Resident teaching sessions: *Abnormalities of Ocular Motility, Optic Neuropathies, Transient Visual Changes , Oculoplastic Case Discussions*
- 2014 Resident teaching sessions: *Abnormalities of Ocular Motility*

Workshops

- 2004 Anatomy dissection/workshop, Department of Dermatology, The Next Step: Advances in Facial Plastic Surgery, Stanford University School of Medicine, Stanford, California
- 2005 Anatomy dissection/workshop, CME course: Facial Anatomy, Stanford University School of Medicine, Department of Dermatology, Stanford, California
- 2006 Bay Area Ophthalmology Course. Stanford University School of Medicine, Testing and Imaging Lab Proctor, Stanford, California
- 2006 Anatomy dissection/workshop, Department of Dermatology, The Next Step: Advances in Facial Plastic Surgery, Stanford University School of Medicine, Stanford, California
- 2006 Bay Area Ophthalmology Course. Stanford University School of Medicine, Cranial Lab Proctor, Stanford, California
- 2006 Orbital course and lab, University of California San Francisco and California Pacific Medical Center, San Francisco, CA
- 2007 Botox workshop, University of California San Francisco December Course, San Francisco, California
- 2007 Craniofacial plating practicum: Stanford University, Department of Ophthalmology. Proctor, Stanford, California
- 2007 Basic science and fundamental of ophthalmology: Ophthalmic plastic and reconstructive surgery, part 1, Stanford University, Stanford CA
- 2007 Basic science and fundamental of ophthalmology: Ophthalmic plastic and reconstructive surgery: part 2, Stanford University, Stanford CA
- 2007 Journal club: host/moderated for ophthalmic plastic section, University of California San Francisco and California Pacific Medical Center, San Francisco, CA
- 2007 Orbital course and lab, University of California San Francisco and California Pacific Medical Center, San Francisco, CA
- 2007 Basic suturing lab, University of California San Francisco, San Francisco, CA
- 2007 Journal club: participant for ophthalmic plastic section, University of California San Francisco and California Pacific Medical Center, San Francisco, CA
- 2007 Instructional course "Botox for the Ophthalmology", University of California San Francisco, San Francisco, CA
- 2008 Journal club: participant for ophthalmic plastic section, University of California San Francisco and California Pacific Medical Center, San Francisco, CA
- 2008 UCSF/CPMC Orbital course and lab
- 2008 Basic suturing lab, University of California San Francisco, San Francisco, CA
- 2009 UCSF/CPMC Orbital course and lab
- 2009 Basic suturing lab, University of California San Francisco, San Francisco, CA

- 2010 Journal club: participant for ophthalmic plastic section, University of California San Francisco and California Pacific Medical Center, San Francisco, CA
- 2010 UCSF/CPMC Orbital course and lab
- 2010 Basic suturing lab, University of California San Francisco, San Francisco, CA
- 2013 Oculoplastic Surgical Cadaveric Dissection, The Wilmer Eye Institute, Johns Hopkins School of Medicine, Baltimore, MD
- 2013 Neuro-ophthalmology Resident Teaching Session, Efferent Session, The Wilmer Eye Institute, Johns Hopkins School of Medicine, Baltimore, MD

Clinical instruction

- 2002-10 Outpatient services, Attending physician, at all locations, I have supervised medical students, residents and fellows in the management of patents with oculoplastic and neuro-ophthalmic disease.
- 2002-10 Consult service, Attending physician, at all locations, I have supervised medical students, residents and fellows in the management of patents with oculoplastic and neuro-ophthalmic disease.
- 2002-10 Inpatient service, Attending physician, at all locations, I have supervised medical students, residents and fellows in the management of patents with oculoplastic and neuro-ophthalmic disease.
- 2011-12 Outpatient services, Attending physician, King Khaled Eye Specialist Hospital, I have supervised medical students, residents and fellows in the management of patents with oculoplastic and neuro-ophthalmic disease.
- 2011-12 Consult service, Attending physician, King Khaled Eye Specialist Hospital, I have supervised medical students, residents and fellows in the management of patents with oculoplastic and neuro-ophthalmic disease.
- 2011-12 Inpatient service, Attending physician, King Khaled Eye Specialist Hospital, I have supervised medical students, residents and fellows in the management of patents with oculoplastic and neuro-ophthalmic disease.
- 2013-present Outpatient services, I have supervised medical students, residents and fellows in the management of patents with oculoplastic and neuro-ophthalmic disease.
- 2013-present Consult service, I have supervised residents and fellows in the management of patents with oculoplastic and neuro-ophthalmic disease.
- 2013-present Surgical service, I have supervised residents and fellows in the management of patents with oculoplastic and neuro-ophthalmic disease.

CME instruction (Institutional)

- 1998 “Endophthalmitis”
Stanford University School of Medicine, internal medicine grand rounds, Stanford, California
- 1998 “Scediosporum apospermium Endophthalmitis”
Stanford University School of Medicine, infectious disease grand rounds, Stanford, California
- 1999, “Optic Disk Drusen”

- Bascom Palmer Eye Institute, University of Miami School of Medicine, ophthalmology grand rounds, Miami, Florida
- 2000 “Hereditary Optic Neuropathies”
Bascom Palmer Eye Institute, University of Miami School of Medicine, ophthalmology grand rounds, Miami, Florida
- 2001 “NAION and Cataract Extraction”
Stanford University School of Medicine, Stanford, California
- 2001 “Involutional Eyelid Changes”
Cincinnati Eye Institute and The University of Cincinnati department of ophthalmology, CME course: Eyelid Conditions of the Elderly, Cincinnati, Ohio
- 2001 “Oculoplastic Surgery”
The University of Cincinnati, department of ophthalmology, basic science board review
- 2002 “The Effect of Visual Acuity on Clinical Color Vision Testing”
The University of Cincinnati College of Medicine: annual clinical conference and research symposium
- 2002 “Traumatic Diplopia”
University of California at Irvine, department of neurology, contemporary neurology conference, Orange, California
- 2002 “Clinical Relevance of Spontaneous Venous Pulsations of the Optic Disk”
University of California at Irvine, department of neurology, contemporary neurology conference, Orange, California
- 2003 “Botox, General Contributions”
Update in Oculoplastic Surgery, University of California Irvine, Irvine, California
- 2003 “Neuro-ophthalmologic Applications of Botox”
Update in Oculoplastic Surgery, University of California Irvine, Irvine, California
- 2003 “Periocular Infiltration”
Update in Oculoplastic Surgery, University of California Irvine, Irvine, California
- 2004 “Lower Eyelid Blepharoplasty and the Midface”
Department of Dermatology, The Next Step: Advances in Facial Plastic Surgery, Stanford University School of Medicine, Stanford, California
- 2005 “Eyelid Anatomy”
CME course: Facial Anatomy, Stanford University School of Medicine, Department of Dermatology, Stanford, California
- 2005 “Optic Disk Edema”
Stanford University School of Medicine, Department of Neurology, Stanford, California
- 2005 “Blepharoptosis: Diagnosis and Management”
Stanford University School of Medicine, Department of Otolaryngology, Stanford, California
- 2005 “Eyelid Reconstruction”
Advances in Facial Reconstruction, Stanford University School of Medicine, Department of Dermatology, Stanford, California
- 2005 “Diplopia”
Stanford University School of Medicine, Department of Neurology, Stanford, California
- 2005 “Eyelid Anatomy”
CME course: Facial Anatomy, Stanford University School of Medicine, Department of Dermatology, Stanford, California
- 2006 “Botox for the Ophthalmologist”
University of California San Francisco “December course”, San Francisco, California
- 2006 “Oculoplastics”
University of California San Francisco “December course”, San Francisco, California
- 2007 “Orbital Hemorrhage: An Experimental Model”
Cordes Society, University of California San Francisco, San Francisco, California
- 2007 “Blepharoplasty Tips, Part 1: The Eyelid Crease”
University of California San Francisco December Course, San Francisco, California
- 2007 “Botox: General Considerations and Neuro-ophthalmic Applications”

2008	University of California San Francisco December Course, San Francisco, California "Blepharoplasty Tips, Part 2: The Lateral Brow"
2008	University of California San Francisco December Course, San Francisco, California "Update on Non-arteritic Ischemic Optic Neuropathy"
2009	University of California San Francisco December Course, San Francisco, California "Upper Eyelid Reconstruction: What's New"
2009	University of California San Francisco December Course, San Francisco, California "Perimetry in Neuro-ophthalmology"
2010	University of California San Francisco December Course, San Francisco, California "The Hot Orbit: When Do You Need To Worry?"
2011	Cordes Eye Society, San Francisco, California "ARVO Hot Topics"
2011	Grand rounds, King Khaled Eye Specialist Hospital, Riyadh, Saudi Arabia "OCT and the RNFL"
2011	Symposium on Diagnostic Imaging, King Khaled Eye Specialist Hospital, Saudi Arabia "MRI vs. CT in the Assessment of Orbital Disease"
2012	Symposium on Diagnostic Imaging, King Khaled Eye Specialist Hospital, Saudi Arabia "Blepharoptosis: Modern Management, Grand Rounds, King Khaled Eye Specialist Hospital, Saudi Arabia"
2012	Clinical Approach to Orbital Inflammation, Subspecialty Lecture, King Khaled Eye Specialist Hospital, Saudi Arabia
2013	Blepharoptosis, Neuro-ophthalmic and Oculoplastic Considerations, Grand Rounds, The Wilmer Eye Institute, Baltimore, MD
2013	"Skull Remodeling and Intracranial Hypotension", Current Concepts in Ophthalmology, The Wilmer Eye Institute, Baltimore, MD

Mentoring

Fellowship Preceptor (primary)

2005-2006	Joyce Y Liao, fellowship in neuro-ophthalmology (Co-preceptor with Jonathan Horton) currently director of neuro-ophthalmology, Department of Ophthalmology, Stanford University School of Medicine; awarded "Young Researcher Award", North American Neuro-ophthalmology Society, 2011
2006-2007	Jenny J Hong, fellowship in neuro-ophthalmology and oculoplastic surgery currently in private practice, San Francisco, CA
2006-2008	Thomas N Hwang, fellowship in neuro-ophthalmology and oculoplastic surgery currently in private practice, San Francisco, CA
2008-2009	Michael K Yoon, fellowship in neuro-ophthalmology and orbital surgery
2009-2011	Michael K Yoon, ASOPRS fellowship, oculoplastic surgery and neuro-ophthalmology currently assistant professor, Massachusetts Eye and Ear Infirmary, Harvard University School of Medicine
2011-2013	Laura T Phan, ASOPRS fellowship, oculoplastic surgery and neuro-ophthalmology currently in private practice in Mountain View, CA
2013-present	W. Jordan Piluek, ASOPRS fellowship, oculoplastic surgery and neuro-ophthalmology

Fellowship Preceptor (associate)

2006-2008	Brian Seiff, ASOPRS fellow, primary preceptor: Stewart Seiff
2008-2010	Eve Mascoto, ASOPRS fellow, primary preceptor: Stewart Seiff
2010	Harmeet Gill, ASOPRS fellow, primary preceptor: Stewart Seiff

2011-2012 Essam Kordi, fellow in oculoplastic surgery, King Khaled Eye Specialist Hospital, Riyadh, Saudi Arabia
 2012 Somaya Hanafi, fellow in oculoplastic surgery, King Khaled Eye Specialist Hospital, Riyadh, Saudi Arabia
 2012 Mohammed Harthi, fellow in oculoplastic surgery, King Khaled Eye Specialist Hospital, Riyadh, Saudi Arabia
 2012 Zakeya Sadah, fellow in oculoplastic surgery, King Khaled Eye Specialist Hospital, Riyadh, Saudi Arabia

Fellowship Observational (primary preceptor)

2006-2007 Luciano Pereira, Foreign fellow out of Brazil
 2007 Xavier Garcia, Foreign fellow out of Spain
 2013 Zakeya Sadah, Foreign fellow out of Saudi Arabia

Faculty mentor (residents)

2006-09 Isabella Phan, Resident, University of California San Francisco, San Francisco, CA

Research supervisor (residents)

1999-2000 Kara Hoffman, Resident, Bascom Palmer Eye Institute, Miami, FL
 1999-2000 Charlie Eifrig Resident, Bascom Palmer Eye Institute, Miami, FL
 1999-2000 Alice Song, Resident, Bascom Palmer Eye Institute, Miami, FL
 2000-2003 Don Hudak, Resident, University of Cincinnati, Cincinnati, OH
 2000-2003 Sam Dahr, Resident, University of Cincinnati, Cincinnati, OH
 2002-2003 Charles Barsam, Resident, University of California Irvine, Irvine, CA
 2002-2003 Neda Shamie, Resident, University of California Irvine, Irvine, CA
 2002-2003 Memarzade Farid, Resident, University of California Irvine, Irvine, CA
 2002-2003 Genish Kandavel, Resident, University of California Irvine, Irvine, CA
 2002-2004 Melanie Erb, Resident, University of California Irvine, Irvine, CA
 2004-2005 Gloria Wang, Resident, Stanford University, Stanford, CA
 2004-2005 Amish Doshi, Resident, Stanford University, Stanford, CA
 2005-2006 Svetlana Pilyugina, Resident, Stanford University, Stanford, CA
 2005-2006 Atul Jain, Resident, Stanford University, Stanford, CA
 2005-2006 Judy Ou, Resident, Stanford University, Stanford, CA
 2005-2006 Thomas Hwang, Resident, Stanford University, Stanford, CA
 2005-2008 Chris Zoumalan, Resident, Stanford University, Stanford, CA
 2006-2007 Ying Han, Resident, University of California San Francisco, San Francisco, CA
 2006-2009 Shelley Day, Resident, University of California San Francisco, San Francisco, CA
 2007 Jennifer Taylor, Resident, University of California San Francisco, San Francisco, CA
 2007-2008 Soroya Rafaga, Resident, University of California San Francisco, San Francisco, CA
 2007-2008 Michelle Trager, Resident, University of California San Francisco, San Francisco, CA
 2007-2009 Isabella Phan, Resident, University of California San Francisco, San Francisco, CA
 2008-2009 Charles Lin, Resident, University of California San Francisco, San Francisco, CA
 2008-2009 Joseph Martel, Resident, University of California San Francisco, San Francisco, CA
 2009 Michael Chen, Resident, University of California San Francisco, San Francisco, CA
 2009-2011 Aiyin Chen, Resident, University of California San Francisco, San Francisco, CA
 2009-2012 Sara Haug, Resident, University of California San Francisco, San Francisco, CA
 2009-2012 Julie Schallhorn, Resident, University of California San Francisco, San Francisco, CA
 2012-2013 Zakeya Sellah, Resident, King Khaled Eye Specialist Hospital, Riyadh, Saudi Arabia
 2012 Abdullah Alaraj, Resident, King Khaled Eye Specialist Hospital, Riyadh, Saudi Arabia
 2013 Sumayya Ahmad, Resident, Wilmer Eye Institute, Baltimore, MD

Research supervisor (students)

1999-01 Adam Levy, Medical Student, University of Miami, Miami, FL
2006-09 Clarissa Kum, Optometry Student, New York, NY
2007-08 Victoria Nguyen, Medical Student, University of California Las Angeles, Las Angeles, CA
2008-09 Tina Kao, Medical student, University of California San Francisco, San Francisco, CA
2013 Guneet Sodhi, Medical Student, George Washington University, Washington DC.

Public Service

2008 ORBIS sponsored clinical and teaching operation in Mirage, India
2008 ORBIS sponsored clinical and teaching operation in Harbin, China
2009 ORBIS sponsored clinical and teaching operation in Da Nang, Vietnam
2010 ORBIS sponsored clinical and teaching operation in Aligarh, India
2011 ORBIS sponsored clinical and teaching operation in Iloren, Nigeria
2012 ORBIS sponsored clinical and teaching operation in Lanzhou, China
2014 ORBIS sponsored clinical and teaching operation in Gondar, Ethiopia

CLINICAL ACTIVITIES

Certification

Medical licensure

1995-96 Medical licensure, Hawaii
1999-03 Medical licensure, Florida
2000-04 Medical licensure, Ohio
1996-present California #A60994 (Expiration 9/30/2013)
2011-present Maryland #D0073128 (Expiration 9/30/2013)

Boards

2000 Board certification, American Board of Ophthalmology
2010 Recertified, American Board of Ophthalmology

Other certifications

1995 Certificate, Medical Officer Training in Diving and Hyperbaric Medicine, John A. Burns School of Medicine, University of Hawaii, Hyperbaric Treatment Center, Honolulu, HI
2003 American Society of Ophthalmic Plastic and Reconstructive Surgeons (ASOPRS)

Clinical (Service) Responsibilities

2002-2010 Prior to employment at Johns Hopkins clinical time allocations were not precisely recorded and fluctuated some over the years. In general greater than 90% of my time was clinical divided roughly equally between clinical neuro-ophthalmology, clinical oculoplastics and surgery

2011-2012 Oculoplastic clinic two half days per week, Minor procedure session one half day per week, Surgical session three half days per week

2013-present Clinic (neuro-ophthalmology and oculoplastic) 6 half days per week, Surgery three half days per week

ORGANIZATIONAL ACTIVITIES

Institutional Administrative Appointments

2002-2003	Member: residency selection committee, University of California Irvine, department of ophthalmology
2002-2003	University of California Irvine, coordinator, medical student physical diagnosis course in ophthalmology
2004-2006	Stanford University, facial plastic surgery candidate search committee, department of otolaryngology
2004-2006	Member: residency selection committee - Stanford University, department of ophthalmology
2004-2006	Chair: quality assurance committee, Stanford University, department of ophthalmology
2005-2006	Stanford University, clinical advisory committee, electronic medical records vendor evaluation
2006-2009	Member: search committee for ophthalmic plastic and reconstructive surgery faculty, UCSF, department of ophthalmology
2006-2010	Member, grand rounds invited speaker selection committee, UCSF, department of ophthalmology
2007	Coordinated instructional course on Botox as part of the "December course"
2007	Member, billing and collections committee, UCSF, department of ophthalmology
2007-2010	Member, clinical committee, UCSF, department of ophthalmology
2007-2010	UCSF credentialing committee, member
2007-2010	Member, "December Course" planning committee
2010	Continuing care intersession (medical student rotation), preceptor
2011-2012	Institutional review board, King Khaled Eye Specialist Hospital, Riyadh, Saudi Arabia
2011-2012	Education committee, King Khaled Eye Specialist Hospital, Riyadh, Saudi Arabia
2011-2012	Division chiefs committee, King Khaled Eye Specialist Hospital, Riyadh, Saudi Arabia
2013	Comprehensive Eye Care Planning Task Force, Chair
2013-2014	Satellite Finance Task Force, Member
2013-present	Bayview Advisory Board
2013-present	Accountable Care Organization task force, The Wilmer Eye Institute, Johns Hopkins School of Medicine
2013-present	Long Range Development Committee, Member
2013-present	Glaucoma Faculty Search Committee, Member
2013-present	Clinical Practice and Billing/Compliance Advisory Committee, Member
2013-present	Division Chief, Comprehensive Eye Service Search Committee, Chair
2014	Accountable Care Act, Wilmer Strategic Plan Task Force, Chair
2014	Comprehensive Satellite Faculty Search Committee, Member

Editorial Activities (dates, role)

Editorial Board

2009-present	Journal of Neuro-Ophthalmology
2010-present	Frontiers in Neuro-Ophthalmology

Journal Reviewer

2002-present	Ophthalmology
2003-present	American Journal of Ophthalmology
2004-present	Journal of Neuro-Ophthalmology
2004-present	Ophthalmic Plastic and Reconstructive Surgery

2005-present	Journal of Cataract and Refractive Surgery
2005-present	Journal of Ocular Pharmacology and Therapeutics
2006-present	Archives of Ophthalmology
2006-present	British Journal of Ophthalmology
2006-present	Eye (subdivision of Nature)
2010-present	Journal of Pediatric Ophthalmology and Strabismus
2010-present	Canadian Journal of Ophthalmology
2010-present	Japanese Journal of Ophthalmology
2011-present	Journal of Cancer Research and Therapeutics
2011-present	Middle East and African Journal of Ophthalmology
2011-present	Saudi Journal of Ophthalmology
2011-present	Oman Journal of Ophthalmology

Book reviews

1. Asian Blepharoplasty and the Eyelid Crease, second edition, Chen WPD (Ed). Butterworth-Heinemann, St Louis 2006 (published in Ophthal Plast Recon Surg).
2. Putterman's Cosmetic Oculoplastic Surgery, 4th edition, Fagien S (Ed). Saunders, St Louis 2008 (published in Amer J Ophthalmol).

Professional Societies

Memberships

1997-now	Association for Research in Vision and Ophthalmology (ARVO)
2001-now	American Academy of Ophthalmology (AAO), fellow
2001-2006	North American Neuro-ophthalmology Society (NANOS), member
2006-now	North American Neuro-ophthalmology Society (NANOS), fellow
2003-now	American Society of Ophthalmic Plastic and Reconstructive Surgery (ASOPRS)
2013-now	American Ophthalmology Society (AOS)
1998-2002	International Society of Refractive Surgery (ISRS)
1998-2002	American Society of Cataract and Refractive Surgery (ASCRS)
1998-2002	Ocular Microbiology and Immunology Group (OMIG)
2002-2003	Orange County Society of Ophthalmology
2006-2010	Pacific Coast Oto-ophthalmological Society (PCOOS)
2004-2011	Mid-peninsula Eye Society
2011-2013	Saudi Arabian Ophthalmologic Society (SOS)

Service to Professional Organizations

North American Neuro-Ophthalmology Society (NANOS) and Walsh Society

2004-2009	Patient education committee, member
2008	Walsh society annual meeting planning committee, chair
2008-2010	Walsh society committee, member
2012-present	NANOS abstract education subcommittee, member
2012-present	AAO Education Subcommittee, member
2013	Walsh society annual meeting planning committee, member

American Society of Ophthalmic Plastic and Reconstructive Surgery (ASOPRS)

2008-present	Fellowship committee, member
2011-present	Education committee, member

2012 Abstract selection committee, member
2013 Abstract selection committee, member

American Academy of Ophthalmology (AAO)

2004-2008 Basic and clinical science course committee: ophthalmic plastic surgery section
2007 Neuro-ophthalmology subspecialty day participant
2009 Neuro-ophthalmology subspecialty day participant
2011 Neuro-ophthalmology subspecialty day participant
2008-present Practicing ophthalmologists curriculum panel: neuro-ophthalmology/orbit section
2013 Neuro-ophthalmology subspecialty day planning committee

Association for Research and Vision in Ophthalmology (ARVO)

2007-2010 Professional development and education committee, member

California Mid-Peninsula Eye Society

2006-07 Treasurer
2007-08 Vice president
2008-10 President

Pacific Coast Oto-Ophthalmologic Society (PCOOS)

2007-09 Program planning committee, member
2009-10 Program planning committee, chair

Saudi Arabian Ophthalmologic Society (SOS)

2012-2013 Program planning committee, member

Conference Organizer, Session Chair, etc

2003 Moderator, Joint Commission on Allied Health Personnel in Ophthalmology (JCAHPO) annual meeting. AIDS and the Eye educational course, Anaheim, California
2003 Course director/coordinator, University of California at Irvine, CME course. "Update on Oculoplastic Surgery", Irvine, California
2003 Moderator, University of California at Irvine, CME course, Update on Oculoplastic Surgery, Botox in Ophthalmology session, Irvine, California
2003 Moderator, University of California at Irvine, CME course, Update on Oculoplastic Surgery, Eyelid malignancies session, Irvine, California
2006 Moderator, December course, neuro-ophthalmology session, University of California San Francisco, San Francisco, CA
2006 Moderator, December course-oculoplastic session, University of California San Francisco, San Francisco, CA
2006 Coordinator, December course, neuro-ophthalmology session, University of California San Francisco, San Francisco, CA
2006 Coordinator, December course-oculoplastic session, University of California San Francisco, San Francisco, CA
2007 Moderator, Pacific Coast Ophthalmology and Otolaryngology Society (PCOOS). Hawaii
2007 Moderator, North American Neuro-ophthalmology Society (NANOS) annual Walsh meeting. Salt Lake City, Utah
2007 Moderator, December course-neuro-ophthalmology session, University of California San Francisco, San Francisco, CA
2007 Coordinator/moderator, University of California San Francisco, "December Course". Botox course
2007 Panelist, American Academy of Ophthalmology, Neuro-Ophthalmology Subspecialty Day. "Periocular pain with normal examination", New Orleans, Louisiana

- 2008 Moderator, Association for Research in Vision and Ophthalmology (ARVO). Anatomy and Pathology session, Ft Lauderdale, Florida
- 2008 Moderator, International Neuro-Ophthalmology Society (INOS) annual meeting. Idiopathic Intracranial Hypertension session, Napa, California
- 2008 Moderator, Pacific Coast Oto-Ophthalmologic Society (PCOOS) annual meeting. general ophthalmology session, Newport Beach, California.
- 2008 Moderator, December course-oculoplastic session, University of California San Francisco, San Francisco, CA
- 2009 Moderator, Pacific Coast Oto-Ophthalmologic Society (PCOOS) annual meeting. neuro-ophthalmology and plastics session, Turtle Bay, Hawaii.
- 2009 Panelist, American Academy of Ophthalmology, Neuro-ophthalmology subspecialty day,
- 2009 Moderator, December course-oculoplastic session, University of California San Francisco, San Francisco, CA
- 2010 Moderator, Association for Research in Vision and Ophthalmology (ARVO). Orbital disease session, Ft Lauderdale, Florida
- 2010 Moderator, Pacific Coast Oto-Ophthalmologic Society (PCOOS), Oculoplastic Surgery session, Monterey Bay, California
- 2010 Coordinator/moderator, December course-oculoplastic session, University of California San Francisco, San Francisco, CA
- 2011 Moderator, Association for Research in Vision and Ophthalmology (ARVO). Advances in Evaluation and Treatment in Neuro-Ophthalmology, paper session, Ft Lauderdale, FL
- 2012 Session Chair, “Eye for an Eye”, World Ophthalmology Congress, Abu Dhabi, UAE
- 2012 Moderator, “Eye for an Eye”, World Ophthalmology Congress, Abu Dhabi, UAE
- 2012 Session Chair, “Eyelid Tumors”, World Ophthalmology Congress, Abu Dhabi, UAE
- 2012 Moderator, “Eyelid Tumors”, World Ophthalmology Congress, Abu Dhabi, UAE
- 2012 Moderator, “Rejuvenating the Midface and Lower Face”, ASOPRS annual meeting, Chicago, IL
- 2013 Moderator, North American Neuro-ophthalmology Society, Scientific Paper Session, Snowbird, UT
- 2013 Program planning committee, Saudi Ophthalmology Society, Riyadh, Saudi Arabia
- 2013 Session Chair, Saudi Ophthalmology Society Annual Meeting, Riyadh, Saudi Arabia
- 2013 Moderator, “Neuro-ophthalmic Signs”, Neuro-Ophthalmology Subspecialty Day, New Orleans, LA

Consultantships

- 2002-2006 Medical Advisory Committee, Coachella Valley Desert Visionaries, Palm Springs, California
- 2005-2010 Lilly ICOS
- 2006 The Eye Institute, Singapore, Expert “Judge” for The Eye Institute-Pfizer Research Prizes
- 2002-2011 Expert consultant, Therapeutic Research Center: Prescribers’ and Pharmacists’ Letters
- 2009-2010 SRI International: Regarding eyelid reanimation
- 2011-present SRI International: Regarding eyelid reanimation

RECOGNITION

Awards, Honors

- 1987-91 Dean's Honor List (all semesters awarded during undergraduate education)
- 1992 Carl F. and Gerty T. Cory awards for "Superior scholarship in biochemistry", Washington University School of Medicine
- 1992 Letter of commendation, "Outstanding performance in neuroscience", Washington University School of Medicine
- 2003 TEI Pfizer award for "best case series" McCulley TJ, Kersten RC, Yip CC, Kulwin DR. Isolated Unilateral Neurogenic Blepharoptosis Secondary to Eyelid Trauma. *Am J Ophthalmol* 2002; 134: 626-7.
- 2004 TEI Pfizer award for "best case report" Yip CC, Kersten RC, McCulley TJ, Ballard ET, Kulwin RC. Osteogenic Sarcoma after Orbital Radiation for Rhabdomyosarcoma. *Ophthalmology* 2003;110:1996-9.
- 2004 Joint Commission of Allied Health Professionals in Ophthalmology (JCAHPO) Teaching Award
- 2007 Senior author and supervisor "Best Walsh Society Presentation"
- 2008 Senior author and supervisor "Best Walsh Society Presentation"
- 2008 American Academy of Ophthalmology "Achievement Award"

Invited Talks

Regional

- 2003 "Involutional Eyelid Changes"
Clemente Hospital Medical Center, San Clemente, California
- 2003 "Neoplasms of the Eyelids"
Coachella Valley Desert Visionaries, Palm Springs, California
- 2004 "Visual Field Testing",
The Osler Ophthalmology Board Review Course, San Francisco, California
- 2004 "Supranuclear Abnormalities in Extraocular Motility and Nystagmus"
The Osler Ophthalmology Board Review Course, San Francisco, California
- 2004 "Chiasmal and post-chiasmal lesions"
The Osler Ophthalmology Board Review Course, San Francisco, California
- 2004 "Visual Loss Following CSF Shunting Procedures"
Symposium of Neural Hydrodynamics, Palo Alto, California
- 2005 "NAION and Intraocular Surgery"
University of California at San Francisco, San Francisco, California
- 2006 "Periocular Trauma and Reconstruction"
The Osler Ophthalmology Board Review Course, San Francisco, California
- 2006 "Involutional Eyelid Changes"
The Osler Ophthalmology Board Review Course, San Francisco, California
- 2006 "Blepharoptosis: Diagnosis and Management"
University of California at San Francisco, interview lecture
- 2006 "Facial Nerve Dysautonomia"
Stanford University School of Medicine, Department of Ophthalmology, Stanford, California
- 2006 "Blepharoptosis: Diagnosis and Management"
Kaiser Permanente, Oakland, California,
- 2006 "Orbital Osteology"
Bay Area Ophthalmology Course, Stanford University School of Medicine, Stanford, California
- 2006 "The Lacrimal Drainage System"
Bay Area Ophthalmology Course, Stanford University School of Medicine, Stanford, California
- 2006 "Extraocular Motility: Nuclear and Peripheral Nerves"
Bay Area Ophthalmology Course, Stanford University School of Medicine, Stanford, California

- 2006 “Eyelid Anatomy”
CME course: Facial Anatomy, Stanford University School of Medicine, Department of Dermatology, Stanford, California
- 2006 “Eyelid Anatomy”
CME course: Facial Anatomy, Stanford University School of Medicine, Department of Dermatology, Stanford, California
- 2007 “Ectropion, Entropion and other Involutional Eyelid Changes”
The Osler Ophthalmology Board Review Course, Walnut Creek, California
- 2007 “Orbital Osteology”
The Osler Ophthalmology Board Review Course, Walnut Creek, California
- 2007 “Blepharoptosis”
The Osler Ophthalmology Board Review Course, Walnut Creek, California
- 2007 “Orbital Inflammation”
Stanford University School of Medicine, Department of Ophthalmology, Stanford, California
- 2007 “Upper Blepharoplasty”
Minimally Invasive Facial Plastic Surgery, CME course, San Francisco, California
- 2007 “Lower Blepharoplasty”
Minimally Invasive Facial Plastic Surgery, CME course, San Francisco, California
- 2008 “Neoplasm of the Eyelids”
19th Annual Berkeley Practicum, University of California Berkeley School of Optometry, Berkeley, California
- 2008 “Blepharoptosis”
Alameda Contra Costa Counties Optometric Society (ACCCOS), Walnut Creek, California
- 2013 “Involutional Changes of the Eyelids”
Senior Center, Odenton, Maryland

National

- 2000 “Neuro-ophthalmic Manifestations of Human Immune Deficiency Virus (HIV)”

91. Kum C, Day S, Hwang TN, **McCulley TJ**. Comparative evaluation of frequency doubling perimetry and conventional automated perimetry in neuro-ophthalmic disease. ARVO annual meeting, May 2008.
92. Phan I, Hwang TN, Pereira LS, **McCulley TJ**. A double-layer closure for eyelid crease manipulation. ARVO annual meeting, May 2008.
93. Trager MJ, Hwang TN, Pereira LS, Kersten RC, Feuer WJ, **McCulley TJ**. Assessment of levator muscle function in the fellow eye of patients with asymmetric involutional blepharoptosis. ARVO annual meeting, May 2008.
94. Hwang TN, Pereira LS, **McCulley TJ**. Evisceration: The “swinging sclera” modification. ARVO annual meeting, May 2008.
95. Rofagha S, Hwang TN, Hoyt WF, Hafez M, **McCulley TJ**. Progressive bilateral enophthalmos following cerebral spinal fluid shunting. ARVO annual meeting, May 2008.
96. Kum C, Day S, Hwang TN, **McCulley TJ**. Comparative evaluation of frequency doubling perimetry and conventional automated perimetry in neuro-ophthalmic disease. INOS annual meeting, June 2008.
97. **McCulley TJ**, Pereira LS, Hwang TN, **McCulley TJ**. Involutional blepharoptosis: pathophysiology revisited. INOS annual meeting, June 2008.
98. Hwang TN, **McCulley TJ**. Orbital volume assessment in post-ventriculoperitoneal shunting enophthalmos. ASOPRS annual meeting, November 2008.
99. Pham I, **McCulley TJ**. Lateral direct brow lifting in an ethnically diverse population. ASOPRS annual meeting, November 2008.
100. Hwang TN, Hoyt WF, **McCulley TJ**. Orbital volumetric analysis of patients with progressive bilateral enophthalmos following ventriculoperitoneal shunting for acquired hydrocephalus. NANOS annual meeting, February, 2009.
101. Yoon MK, Day S, Hwang TN, **McCulley TJ**. Comparison of Humphrey matrix frequency doubling technology in the assessment of pre-chiasmal and post-chiasmal disease. NANOS annual meeting, February 2009.
102. Yoon MK, Hwang TN, **McCulley TJ**. Retuximab for the treatment of orbital and systemic reactive lymphoid hyperplasia. NANOS annual meeting, February 2009.
103. Kum C, Yoon MK, **McCulley TJ**. Correlation between levator function and eyelid excursion. NANOS annual meeting, February 2009.
104. Kum C, Yoon MK, Lin CC, **McCulley TJ**. Correlation Between Eyelid Excursion and Globe Prominence. ARVO annual meeting, May 2009.
105. **McCulley TJ**, Phan I, Yoon MK, Hwang TN. Assessment of the Effect of Ethnicity on the Cosmetic Outcome of Lateral Direct Brow Lifting. ARVO annual meeting, May 2009.
106. Martel JN, Yoon MK, Vaijwade A, **McCulley TJ**. Comparison of Patients with Blepharoptosis at Tertiary Care Centers in India and the United States. ARVO annual meeting, May 2009.

107. Lin CC, Yoon MK, Kum D, Erb MH, **McCulley TJ**. Ethnic Differences in Globe Prominence. ARVO annual meeting, May 2009.
108. Yoon MK, Kum C, Day S, **McCulley TJ**. Comparison of Humphrey Matrix Frequency Doubling Technology in the Assessment of Pre-Chiasmal and Post-Chiasmal Disease. ARVO annual meeting, May 2009.
109. Yoon MK, Hwang TN, **McCulley TJ**. Late Recurrence of Orbital and Systemic Reactive Lymphoid Hyperplasia Following Clinical Resolution with Rituximab Treatment. ASOPRS annual meeting, October 2009.
110. Lin C, Yoon MK, Kum C, Erb ME, **McCulley TJ**. Ethnic Differences in Globe Prominence. ASOPRS annual meeting, October 2009.
111. Martel J, Yoon MK, Vaijwade A, **McCulley TJ**. Statistical Analysis of Patients with Blepharoptosis at Tertiary Care Centers in India and the United States. ASOPRS annual meeting, October 2009.
112. Yoon MK, Shapiro BS, Eggenberger E, **McCulley TJ**. Assessment of Facial Nerve Injury as a Complication of Temporal Artery Biopsy. ASOPRS annual meeting, October 2009.
113. Yoon MK, **McCulley TJ**. Assessment of Facial Nerve Injury after Temporal Artery Biopsy. NANOS annual meeting, March 2010.
114. Yoon MK, Parsa AT, **McCulley TJ**. Transcranial Supralateral Orbital Wall Reconstruction Using Titanium Mesh Embedded in Porous Polyethylene (Medpor Titan™). NANOS annual meeting, March 2010.
115. Yoon MK, **McCulley TJ**. Surgical Management of Gliomas with the Perineural Arachnoidal Gliomatosis Growth Pattern. NANOS annual meeting, March 2010.
116. Hwang TN, Yoon MK, **McCulley TJ**. Lymphing Along. Walsh Society annual meeting, March 2010.
117. Haug SJ, Yoon MK, Hwang TN, Bloomer MM, **McCulley TJ**. Clinical and Histopathologic Assessment of Post-Chalazion Excision Tarsal Epidermal Cysts. ARVO annual meeting, May 2010.
118. Yoon MK, Parsa AT, **McCulley TJ**. Transcranial Supralateral Orbital Wall Reconstruction Using Titanium Mesh Embedded Porous Polyethylene (Medpor Titan). ARVO annual meeting, May 2010.
119. **McCulley TJ**, Chen A, Yoon MK. Late Recurrence of Orbital and Systemic Reactive Lymphoid Hyperplasia Following Clinical Resolution With Rituximab Treatment. ARVO annual meeting, May 2010.
120. Kum C, Yoon MK, Shapiro B, **McCulley TJ**. Assessment of Facial Nerve Injury After Temporal Artery Biopsy. ARVO annual meeting, May 2010.
121. Hwang TN, **McCulley TJ**. Intracranial Hypotension Related Skull Remodeling With Enophthalmos. APAO annual meeting, September 2010.
122. Pereira LS, Yoon MK, **McCulley TJ**. Giant Cell Arteritis in Asians. APAO annual meeting, September 2010.
123. Ruggiero J, Yoon M, **McCulley TJ**. Compressive Optic Neuropathy by Post-neurosurgical Cerebral Spinal Fluid Leak. ASOPRS annual meeting, October 2010.

124. Haug SJ, Yoon MK, Seiff SR, **McCulley TJ**. A National Survey of Practice Patterns: Unilateral Vs Bilateral Temporal Artery Biopsy. ASOPRS annual meeting, October 2010.
125. Greninger D, Yoon MK, **McCulley TJ**. Bone-like Calcified Orbital Cavity Following Exenteration. ASOPRS annual meeting, October 2010.
126. Yoon MK, **McCulley TJ**. To Biopsy or Not to Biopsy: Tumefactive Multiple Sclerosis. Walsh Society Annual Meeting, February 2011.
127. Yoon MK, **McCulley TJ**. Compressive Optic Neuropathy Caused by Post-Neurosurgical Cerebrospinal Fluid Leak. NANOS annual meeting, February 2011.
128. Haug S, Yoon MK, **McCulley TJ**. A National Survey of Practice Patterns: Unilateral Vs Bilateral Temporal Artery Biopsy. NANOS annual meeting, February 2011.
129. Haug S, Yoon MK, **McCulley TJ**. A National Survey of Practice Patterns: Effect of Prior Treatment with Corticosteroids on Diagnostic Capability of Temporal Artery Biopsies in Giant Cell Arteritis. NANOS annual meeting, February 2011.
130. Haug S, Yoon MK, **McCulley TJ**. A National Survey of Practice Patterns: Effect of Prior Treatment with Corticosteroids on Diagnostic Capability of Temporal Artery Biopsies in Giant Cell Arteritis. ARVO annual meeting, May 2011.
131. Yoon MK, **McCulley TJ**. Complications of Autologous Dermis Grafts Used as a Posterior Lamellar Spacer in Lower Eyelid Retraction. ARVO annual meeting, May 2011.
132. Schallhorn JM, Haug SJ, Yoon MK, Porko T, Seiff SR, **McCulley TJ**. A National Survey of Practice Patterns: Unilateral Versus Bilateral Temporal Artery Biopsy. ARVO annual meeting, May 2011.
133. Yoon MK, Phan L, **McCulley TJ**. Modified Cutler-Beard Procedure: Secondary Placement of a Tarso-Conjunctival Graft. ASOPRS annual meeting, October 2011.
134. Yoon MK, Phan L, Hwang TN, **McCulley TJ**. The "Swinging Sclera" Modification of Evisceration: Assessment of Motility and Long Term Follow-up. ASOPRS annual meeting, October 2011.
135. Yoon MK, Phan L, **McCulley TJ**. Modified Cutler-Beard Procedure: Secondary Placement of a Tarso-conjunctival Graft. 3rd World Congress on Controversies in Ophthalmology (COPHy), March 2012.
136. Yoon MK, Phan LT, Hwang, TN, **McCulley TJ**. The "Swinging Sclera" Modification of Evisceration: assessment of motility and long term follow-up. 3rd World Congress on Controversies in Ophthalmology (COPHy), March 2012.
137. Phan LT, Yoon MK, Hwang TN, **McCulley TJ**. The "Swinging Sclera" Modification Of Evisceration: Assessment Of Motility And Long Term Follow-up. ARVO annual meeting, May 2012.
138. Yoon MK, Phan LT, **McCulley TJ**. Modified Cutler-Beard Procedure: Secondary Placement of an Autologous Tarso-conjunctival Graft. ARVO annual meeting, May 2012.
139. Phan LT, Piluek WJ, **McCulley TJ**. The Double-Layered Closure for Eyelid Crease Formation: Long Term Results. ASOPRS annual meeting, November 2012.
140. Yoon MK, Phan LT, **McCulley TJ**. The "Flipped Tarsal Bridge" Technique for Reconstructing Moderate Sized Upper Eyelid Defects. ASOPRS annual meeting, November 2012.

141. Yoon MK, **McCulley TJ**. Assessment of Autologous Postauricular Dermal Grafts as Posterior Lamellar Spacers in the Management of Lower Eyelid Retraction. ASOPRS annual meeting, November 2012.
142. Phan LT, Sedah Z, Bosley TM, **McCulley TJ**. Arteritic and Non-arteritic Anterior Ischemic Optic Neuropathy: Relative Incidence in Saudi Arabia. NANOS annual meeting, February, 2013.
143. Yoon MK, Phan LT, **McCulley TJ**. Orbital Cerebrospinal Fluid Leak Following Pterional Orbitozygomatic Craniotomy. NANOS annual meeting, February, 2013.
144. **McCulley TJ**, Phan L, Bosley TM, Sadah Z. Arteritic and Non-arteritic Anterior Ischemic Optic Neuropathy: Relative Incidence in Saudi Arabia. ARVO annual meeting, May 2013.
145. Phan L, **McCulley TJ**. Age Related Gender Differences in the Occurrence of Acquired Nasolacrimal Duct Obstruction in Saudi Arabia. ARVO annual meeting, May 2013.
146. Sadah Z, Yoon MK, **McCulley TJ**. Orbital Cerebrospinal Fluid Leak Following Pterional Orbitozygomatic Craniotomy. ARVO annual meeting, May 2013.
147. Phan LT, **McCulley TJ**. The Demographics of Patients who Underwent External Dacryocystorhinostomy at a Tertiary Eye Hospital in Saudi Arabia. ASOPRS annual meeting, November 2013.
148. **McCulley TJ**. Sphenoid Sinus Expansion: A Radiographic Sign Of Intracranial Hypotension And The Sagging Brain, Sunken Eyes Syndrome. NANOS annual meeting, March, 2014.
149. Piluek WJ, Alaraj AM, **McCulley TJ**. Aberrant Regeneration of the Abducens Nerve to the Medial Rectus Muscle. NANOS annual meeting, March, 2014.
150. Ahmad S, Phan L, **McCulley TJ**, Patel VR. Bilateral Sequential Optic Neuropathy Secondary to IgG4 Infiltrative Disease. NANOS annual meeting, March, 2014.

OTHER PROFESSIONAL ACCOMPLISHMENTS

Other Creative Activity

- 2000 Consultant for article entitled “Phacoemulsification associated with increased incidence of nonarteritic anterior ischemic optic neuropathy” Ocular Surg News 2000;18:18
- 2003 Consultant for article entitled “Oral Sildenafil causes inconsistent changes in choroidal vascular congestion” EuroTimes April 2003:28
- 2004 Research on ischemic optic neuropathy featured on NBC news
- 2005 Research featured in article “Character counting used as a possible vision screening tool” Eye World September 2005
- 2006 McCulley TJ et al. Facial nerve weakness: care of your eye. Patient care sheet for otolaryngologists. February 2006
- 2010 Consultant for article entitled “Neurogenic blepharoptosis” Ophthalmology Times
- 2010 Consultant for article entitled "Cosmetic Oculoplastic Surgery: Ophthalmology Times

Other Recognition

- 2005-present Listed in Best Ophthalmologists in America
- 2006-present Listed in Marquis Who’s Who in America
- 2007-present Listed in Americas Best Doctors
