New for 2024

Johns Hopkins Health Plans

Availity Essentials: Provider Portal

Johns Hopkins Health Plans introduces a new provider portal developed in collaboration with our vendor, Availity.

Availity Essentials is a secure, real-time platform that connects providers with payers to help providers manage medical benefits and insurance claims. With Availity, **Advantage MD, EHP and Priority Partners (USFHP** will be added to Availity in 2024) providers can view:

- Member eligibility requests and benefit information
- Electronic claims submission
- Claims status
- Claims payment information
- Insights into financial and administrative transactions
- JPAL (check prior authorization requirements prior to rendering services)
- Access to eviCore and Novologix portals, electronic submission of payment disputes and clinical appeals for PPMCO and EHP.*

*Available via link to HealthLINK under resources tab initially, direct access in Availity in early 2024. Payment disputes for Advantage MD must still be submitted via fax or mail until further notice.

Availity Essentials: Provider Portal (continued)

In addition, the new portal will offer the following resources:

- Providers can access commonly used forms, find customer service numbers for our plans, review policies and procedures and more.
- Providers can keep up to date on our communications and provider education presentations.

Coming in 2024:

- Electronic submission of prior authorization requests for Priority Partners, EHP and Advantage MD
- Authorization status
- For more information, visit [availity.com](https://www.availity.com).
- **Please Note:** As we transition fully to the new provider portal, our current portal, HealthLINK, will still be available so providers can access needed functions and resources.

New in 2024: UpLift Virtual Behavioral Health Services

- All plan members of **Advantage MD, EHP and USFHP** have access to behavioral health providers in the UpLift network. UpLift is a virtual behavioral health practice that expands access to providers. The interface also allows members to schedule an appointment with a psychiatrist or therapist as soon as the next day, and no further out than two weeks.
- UpLift supplements the existing network of quality behavioral health care providers available to members, adding more therapists and psychiatrists. The UpLift platform also makes finding the right care simple by matching a therapist or psychiatrist according to personalized needs and provider specialties, allowing members to filter searches for different results. While UpLift is primarily virtual, some providers offer in-person appointment options. Member cost shares for UpLift providers are the same as all in-network behavioral health care services.
- Members can self-refer or providers can now refer members to UpLift to locate a provider in the UpLift network. Refer members to join UpLift.co to learn more and to find a provider.

HMO Plans: Johns Hopkins D-SNP

- Center for Medicare and Medicaid Services (CMS) Special Needs Plans (SNPs) are a specific type of Medicare Advantage coordinated care plan that provides targeted care to individuals with unique, special needs.
- D-SNP members are those who are eligible for both Medicare and Medicaid (dual eligible).
 - Qualify for Medicare because of age (65 or older) or due to a disability.
 - Eligible for Medicaid because they meet the requirements to qualify for Medicaid in
 - the State of Maryland.
- Some key differences between Advantage MD D-SNP HMO and our other Medicare Advantage plans include:
 - D-SNPs can limit enrollment to targeted special needs individuals
 - D-SNPs beneficiaries can enroll and dis-enroll at anytime throughout year
 - Approved Model of Care (MOC) required
 - Must offer Part D coverage
- Johns Hopkins Medicare Advantage D-SNP (HMO) benefits are defined in the plan's [Summary of Benefits](#).

Where Advantage MD D-SNP (HMO) Members Live

Johns Hopkins Health Plans offers D-SNP to beneficiaries in the following Maryland communities:

- Anne Arundel County
- Baltimore County*
- Carroll County*
- Frederick County*
- Howard County
- Montgomery County
- Somerset County*
- Washington County*
- Wicomico County*
- Worcester County*

*Effective January 1, 2024

D-SNP Administrative Components: Member Benefits

- Johns Hopkins Medicare Advantage D-SNP Benefits are defined in the plan Evidence of Coverage (EOC). This document is provided to each member and is published on our website at
- [Johns Hopkins 2024 Evidence of Coverage Effective 01-01-24 \(hopkinsmedicare.com\)](https://hopkinsmedicare.com)

D-SNP Billing Information

Balancing Billing D-SNP Members is Prohibited

- Per the Advantage MD participating provider agreement, participating providers **may not deny services** to D-SNP members.
- Providers **may not** bill D-SNP members for any services covered under the D-SNP plan.
- Providers would need to bill Medicaid as the secondary for the 20% that other non-DSNP members would typically be responsible for, **or** accept the 80% payment from Advantage MD as full payment for the covered services.
- If a provider is not registered with Maryland Medicaid, we recommend they do so they can bill for services provided to D-SNP members.
- **The D-SNP member may not be billed and is held harmless.**

D-SNP member ID cards indicate this language as well.

D-SNP Administrative Components: Provider Education

- Providers are required to complete D-SNP MOC Training annually
- A Provider Education Training Presentation for the Advantage MD D-SNP HMO is available on our website's [Provider Education](#) page.
- To view the training, please visit:
 - <https://www.hopkinsmedicine.org/johns-hopkins-health-plans/providers-physicians/resources-guidelines/provider-education>
- All providers, especially those on a D-SNP member care team, are required to complete this training annually. Please complete the electronic attestation form at the end of the presentation once the on line training is completed.
- The D-SNP MOC Training is also presented virtually by the Provider Relations Team (invitations are sent monthly)

Inflation Reduction Act: 2024 New Updates

Through the Inflation Reduction Act, members will save money with Medicare by improving access to affordable treatments and strengthening the Medicare program. All **Advantage MD plans** will implement these changes to members Part D coverage:

- Reduced copays on Insulins for all Advantage MD **Plans**
- The cost of a month's supply of each Part D-covered insulin will be **capped at \$35.**
- Member's won't have to pay a **deductible** for insulin.
- Member cost share for Insulins will be \$35 for a one-month supply and up to \$105 for a three-month supply with additional savings for mail order.

Inflation Reduction Act: 2024 New Updates (continued)

- Starting on January 1, 2024, **all Advantage MD plans** will implement these changes to members Part D coverage
- Low-Income Subsidy Program: there will no longer be a partial program in the Low-Income Subsidy program.
 - Full benefits will be offered to people with Medicare with limited resources and incomes up to 150 percent of the federal poverty level, which in 2023 is \$21,870 per year for an individual.
 - With full benefits, the majority, if not all out-of-pocket costs for prescription medications will be covered. People who qualify for Extra Help will pay:
 - No deductible
 - No premium
 - Fixed lower copays for certain medications
- The five percent (5%) prescription cost-sharing obligation for Part D will be eliminated.
 - When someone on Medicare has spent \$3,100, they will enter what's called the catastrophic phase of their benefit. In this phase, the member will have no cost sharing of prescription drugs for the remainder of the year.

Priority Partners Product Overview

Priority Partners Overview

HealthChoice is a health care program of the Maryland Department of Health and Mental Hygiene. The HealthChoice plan provided through Priority Partners includes coverage for Medical Assistance for Families and the Maryland Children's Health Plan for pregnant women and children.

- Eligibility is based on family size, income levels, or special medical circumstances.

As Priority Partners members, your patients can take advantage of no and low cost services that include:

- **Low-cost prescription drugs and over-the-counter medication.** See the Priority Partners [pharmacy and formulary](#) for more information.
- **Visits to urgent care centers**
- **Emergency department facility services**
- **Dental care:** Dental care for adults, pregnant women and children is directly provided by the Maryland Healthy Smiles Dental Program.
- **Vision care:** Vision care is provided by Superior Vision. Members can contact Superior Vision at 800-428-8789.
- **Transportation to doctor and medical appointments:** Members can call 800-654-9728 for transportation scheduling.
- **Assistance in finding the appropriate health care services, as well as help with making doctor's appointments:** Members can call 800-654-9728 for assistance and appointment scheduling.

Referral Process

- The Primary Care Provider (PCP) is responsible for determining when a member's health care needs exceed his/her scope of practice and directs the member's care to other providers to meet specific member care goals. Any primary care provider in the group of the assigned PCP on the member's Priority Partners identification card can write a referral for specialty care.
- Referrals for all services must be made to participating Priority Partners providers. Consult the Priority Partners Provider Directory search function on ppmco.org for participating specialist, facility and ancillary providers.
- Paper referrals to in-network specialists are not required to be submitted to Priority Partners for payment; however, the PCP must communicate to the specialist the reason for the referral.

For more details, please see the Priority Partners provider education packet [PowerPoint Presentation \(hopkinsmedicine.org\)](#) and the provider website, [Welcome to Johns Hopkins Health Plans LLC | Johns Hopkins Medicine](#)

Centering Pregnancy Program:

- Centering Pregnancy is an evidence-based group prenatal care model for low-risk pregnancies. Facilitators support a cohort of eight to ten individuals of similar gestational age through a curriculum of ten 90- to-120-minute interactive group perinatal care visits that largely consist of discussion sessions covering medical and non-medical aspects of pregnancy, including nutrition, common discomforts, stress management, labor and birth, breastfeeding, and infant care.
- Effective January 1, 2024, a practice (OB-GYN, Pediatric, Family Medicine, Midwives, Nurse Practitioners, Doulas) must be accredited or pending accreditation by the Centering Healthcare Institute (CHI), in addition to being licensed. Both the group and each individual rendering provider will need to submit supplemental applications in ePREP to add this new service.
- Groups must update their ePREP account to reflect their CHI licensed status. To update, a group should start a supplemental application in ePREP and attach their CHI approval letter attesting their status, as well as the [Group Centering Pregnancy Addendum](#).
 - Individual rendering providers will also need to submit an [Individual Centering Pregnancy Addendum](#) with the group's accreditation attached.
- The above steps will enable the group to add the code 99078 'group educational services by physician' to up to ten Centering Pregnancy perinatal visit claims for patients who are enrolled in and receive prenatal care in the Centering Pregnancy program. This code will pay an additional \$50 per participant per visit, for up to ten group perinatal care visits or \$500.
- Please see MDH Transmittals [PT30-23](#) and [PT61-23](#) and the [MDH Medicaid Centering Pregnancy Provider Information webpage](#) for more information.

New For 2024: Maternal Health Focus

Healthy Steps Program:

- HealthySteps, a ZERO TO THREE program, is a pediatric primary care model that promotes positive parenting and healthy development for babies and toddlers. Under the model, all children ages zero to three and their families are screened and placed into a tiered model of risk-stratified supports, including care coordination and onsite intervention. A HealthySteps Specialist, a child development expert, joins the pediatric primary care team to ensure universal screening, provide successful interventions, referrals and follow-up to the whole family. The HealthySteps Specialist screens all children ages zero to three and their families to place them into the appropriate tier of services.
- To be eligible for additional reimbursement, a group must be currently and actively meeting the HealthySteps National Office (ZERO TO THREE) fidelity requirements, or deemed as on track to fidelity.
- Groups must update their ePREP account to reflect their ZERO TO THREE accreditation status.
 - To update, a group should initiate a supplemental application in ePREP and attach their ZERO TO THREE accreditation letter attesting their status, as well as the [HealthySteps Group Addendum](#).
 - Each rendering provider will also need to submit an [Individual Supplemental Addendum](#) with the group's accreditation attached.
- The above steps will allow the group to add the code **H0025** 'Behavioral health prevention education service' to each pediatric E&M or well-child visit encounter that includes HealthySteps services and was provided in the clinic or outpatient setting. This code will pay an additional \$15 per participant per visit, up to age four. NOTE: While this is a H-code, this code should not be billed to the ASO.
- For more information on Healthy Steps, please visit the MDH website: <https://health.maryland.gov/mmcp/medicaid-mch-initiatives/Pages/HealthySteps-Providers.aspx> or refer to Transmittal [PT30-23](#)

Home Health Services

- Home Visiting services are designed for pregnant people to get the care and support they need to have a healthy pregnancy and healthy child. These services are usually provided in the home by a specially trained professional or a nurse. After pregnancy, your home visitor will continue to support the Priority Partners member and their child, up to their second or third birthday, depending on the program.
- Maryland Medicaid currently offers two evidence-based home visiting models, Healthy Families America and Nurse Family Partnership.
- Home Visiting Services are free for eligible Priority Partners members.

Doula Services

- A doula, or birth worker, is a trained professional who provides physical, emotional, and informational support to birthing parents. This support can happen before, during, and after birth. Doulas serving Priority Partners members will provide person-centered care that supports their racial, ethnic, and cultural diversity.
- Doulas provide three kinds of services: before birth (prenatal) visits, attendance at the birth, and after birth (postpartum) visits. The prenatal/postpartum visits are often in the birthing parent's home.
- Doulas are non-clinical providers, and cannot perform the work of a nurse-midwife, nurse practitioner or doctor.

US Family Health Plan

USFHP Plan Overview

Health care is provided to:

- Active duty family members
- Activated National Guard and reserved family members
- Retirees and their family members
- Certain grandfathered beneficiaries who are age 65 and older

USFHP Product Overview

For members who have coverage under both USFHP and Medicare:

- Medicare cannot be billed for services that are covered by USFHP.*
- Members who have coverage under both USFHP and Medicare may only use Medicare benefits for non-covered USFHP services, such as chiropractic care or end-stage renal disease.
- Members using Medicare for benefits covered under USFHP are subject to disenrollment.
- Providers billing Medicare for services covered by USFHP are subject to termination from the USFHP network.
- Johns Hopkins Health Plans Provider Relations will contact you to remind you of these requirements and ask that you rebill if it is reported that your office billed Medicare as primary in error.

*NOTE: Members with End Stage Renal Disease (ESRD) are the exception to this.

USFHP Plan Overview

- **Prescription coverage:** USFHP utilizes the TRICARE pharmacy formulary for prescription drug benefits. Walgreens is the network pharmacy for USFHP.
- **Dental care:** USFHP members take advantage of two free dental cleanings per year and discounted dental benefits administered through United Concordia Companies, Inc. (UCCI) and its Concordia Advantage. Members can call UCCI customer service at 800-332-0366.
- **Vision care:** One free eye exam each year from a plan provider. Vision benefits are administered through Superior Vision 1-800-507-3800.
- **Care management program:** [The program](#) features support and resources that members need to better understand and manage their health. Members can call 800-557-6916 for more information.
- **Pregnancy resources:** Various programs for expectant moms including care management and maternity programs. For additional information about these programs, members should call customer service at 800-808-7347.

New in 2024: Preconception and Prenatal Testing

USFHP covers preconception and prenatal carrier screening for the following conditions:

- Cystic fibrosis
- Spinal muscular atrophy
- Fragile X syndrome
- Tay-Sachs disease
- Hemoglobinopathies
- Conditions linked with Ashkenazi Jewish descent

The TRICARE benefit will cover one test per condition throughout the beneficiary's lifetime regardless of risk status.

- Codes 81200, 81205, 81209, 81242, 81250, 81251, 81260, 81290, 81330, 81361, 81362, 81363, 81364, 81412, 81443, 0236U covered with prior authorization.

New in 2024: Behavioral Health Audit

Beginning in 2024, USFHP is conducting an annual statistically valid sample size audit of Behavioral Health (BH) network providers documentation for the following standardized measures:

- Post-Traumatic Stress Disorder (PTSD)
- Anxiety disorders
- Depressive disorders

The audit is across all BH settings (outpatient mental health (MH) and SUD, Opioid Treatment Programs (OTPs), Intensive Outpatient Programs (IOPs), partial hospitalization, psychiatric RTCs, and inpatient/residential Substance Use Disorder Rehabilitation Facilities (SUDRFs) and when age appropriate, USFHP will report audit results of the Standardized Behavioral Health Measures that complies with the requirements in the TOM Chapter 7, Section 6, Para 8. (CDRL A090)

Behavioral Health Audit (continued)

- USFHP is also creating educational materials for behavioral and mental health providers to promote the use of required standardized measure assessments. The materials will be posted on our website: HopkinsHealthPlans.org
- USFHP will use claims data to identify all providers submitting anxiety, depressive disorder, and/or post-traumatic stress syndrome, either as primary or secondary.
- Direct outreach will be made to diagnosing providers to ensure they are performing the appropriate assessments in accordance with timelines outlined in this requirement. Outreach may be conducted telephonically, electronically, or in-person, depending on volume of claims and members captured in claims review.

Reminders:

Required Specialist Provider Responsibilities for USFHP Providers

- Please take note that specialist providers for USFHP members are responsible for providing all consultation and treatment notes to the PCP who referred the member for these specialist services.
- The U.S. Department of Defense requirement states that the PCP should receive an initial report of specialty services and treatment. This initial report may be oral, as long as a written report is provided to the PCP within 30 calendar days from the date of service, or sooner if the member's condition warrants a shorter timeframe. Please take note that specialist providers for USFHP members are responsible for providing all consultation and treatment notes to the PCP who referred the member for these specialist services.

Important Information for All Plans

Telemedicine

Johns Hopkins OnDemand Virtual Care:

Johns Hopkins OnDemand Virtual Care (powered by Teladoc) is an online telemedicine platform for both adult and pediatric patients. It is available to members through mobile app, computer or tablet.

Johns Hopkins Health Plans Products Supported:

- Advantage MD (HMO and PPO)
- Employer Health Programs (EHP)
- Priority Partners Managed Care Organization (PPMCO)
- US Family Health Plan (USFHP)*

*The service is only available to USFHP members on weekdays between 6 p.m. and 8 a.m. and 24/7 on weekends. During normal office hours, USFHP members should connect with their PCP.

- The service is intended for minor care concerns (ONLY) that don't require lab work, such as colds, rashes and pinkeye.
- The service is not for medical emergencies. If a patient is experiencing a medical emergency, they should call 911 or go to the nearest emergency room.
- **NOTE:** Johns Hopkins Health Plans encourages members to use their primary care provider when possible, but Johns Hopkins OnDemand Virtual Care is an alternative option to quickly access needed care.

Diabetes Prevention Programs

- Johns Hopkins Health Plans offers diabetes prevention and management programs for members as recognized by the Centers for Disease Control & Prevention (CDC).
- **Advantage MD and EHP**
 - A 12-month, evidence-based curriculum focusing on lifestyle changes with coaching support and resources. Patients who prefer to self-refer may contact the DPP team at brancaticenter@jhmi.edu or call us at 410-614-2701.
- **Priority Partners**
 - Members are eligible to participate in an evidence-based diabetes prevention program established by the Centers for Disease Control and Prevention if they are 18 to 64 years old, overweight or obese, have an elevated blood glucose level or a history of gestational diabetes mellitus, have never been diagnosed with diabetes and are not currently pregnant. Call 800-654-9728.
- **USFHP**
 - USFHP offers programs to help members, whether they are learning how to live with a recent diabetes diagnosis, or are trying to prevent the onset of diabetes. Call 800-808-7347.

Payment Dispute and Clinical Appeal

Priority Partners, USFHP and EHP have two separate forms for **Provider Payment Disputes and Medical Necessity/Clinical Appeal Requests**.

- **[Provider Claims/Payment Dispute and Correspondence Submission Form](#)**: Use this form for provider claim/payment disputes and claim correspondence only. Please do not use this form for clinical/medical necessity appeal requests.
- **[Provider Appeal Submission Form-Clinical/Medical Necessity](#)**: Use this form when you want to appeal a clinical/medical necessity denial.

Advantage MD has one **[Participating Provider Payment Dispute Form](#)** used for submission of claims disputes and clinical disputes.

- **Please be sure to submit one form for each request.**
- These forms can be found on **[HopkinsHealthPlans.org](#)** at the *For Providers* tab, in the “Resources and Guidelines” section under **[“Forms.”](#)**
- The Provider Payment Dispute Form and the Provider Appeal Submission Form for Priority Partners, USFHP and EHP are also available in a web version on **[Availity](#)** and **[HealthLINK](#)** under the “Administration” section and the “Resources” tab.

eviCore

- Providers in the **Advantage MD and Priority Partners** networks are required to obtain prior authorization for High Tech Radiology, Advanced Cardiac Imaging, Lab Management, Musculoskeletal (MSK) Advanced Procedures, MSK Therapies, and Post-Acute Care services through eviCore. Lists of applicable CPT codes can be found under [Resources and Guidelines](#). Certain lab management codes are subject to post service Claims Studio review by eviCore. For more information, visit [eviCore.com](https://www.eviCore.com).
- Request prior authorization through the eviCore portal via Availity or HealthLink, directly on the eviCore portal, or by calling 866-220-3071.

NovoLogix

Johns Hopkins Health Plans **Advantage MD, EHP** and **Priority Partners** engage NovoLogix (CVS Health) to manage its prior authorization process for certain provider-administered medications to determine medical necessity.

Codes Requiring Prior Authorization Links:

- [Advantage MD code list](#)
- [EHP code list](#)
- [Priority Partners code list](#)

How to Request Prior Authorization:

- Providers may submit prior authorization requests electronically by accessing the NovoLogix portal through the Availity or HealthLINK portal.

NovoLogix Contact Support:

- Advantage MD: 800-932-7013
- EHP & Priority Partners: 844-345-2803
- Priority Partners providers may also fax drug-specific prior authorization forms to 866-212-4756.

ProgenyHealth

- Johns Hopkins Health Plans Supported Products
 - **EHP & Priority Partners**
- Partnership Features:
 - ProgenyHealth's neonatal care management program enhances services to our members and support our mission to make a lasting difference in our members' lives by improving their health and well-being.
 - ProgenyHealth's neonatologists, pediatricians and neonatal nurse care managers work closely with the NICU facility, EHP and Priority Partners members, as well as attending physicians and nurses, to promote healthy outcomes for EHP and Priority Partners' premature and medically complex newborns.
 - Visit progenyhealth.com for more information on their services.

Provider Resource: PNC Healthcare

- **Johns Hopkins Health Plans has engaged PNC Healthcare** to provide new electronic methods via their Claims Payments & Remittances (CPR) service.
- Payment for Priority Partners and EHP will be issued using the new CPR service.
- This service will also enable providers to log into a website to access a detailed explanation of payment (EOP) for each transaction.

Provider Resource: Online Provider Update Form

If there are any demographic changes in your practice or facility, you are **required** to notify the Provider Relations department:

- Submit digitally via the [Online Digital Provider Information Update Form](#).
- Email to ProviderChanges@jhhp.org. This email box is monitored daily to collect and process all provider changes. Please fill out the [Provider Information Update Form](#) (located under “For Providers” and then under the Forms section of the “Resources and Guidelines” page) and attach it to the email before sending to Johns Hopkins Health Plans.
- Information on both forms includes changes to telephone numbers, address, suite number and email or fax numbers.
- **Note:** If you are using a Social Security Number in place of a Tax ID, the completed update form must be faxed to 410-762-5302 to ensure identity protection. Do not send digitally or by email.
- W-9 requests should be submitted to: w9requests@jhhp.org.
- Any questions about the provider changes reporting process may be directed to Provider Relations at 888-895-4998 (option 4).

*If you are under a Delegated Credentialing Agreement please follow the process outlined per that agreement.
