

# Provider Update

*This update contains pertinent information about changes that will impact the Johns Hopkins HealthCare provider network.*

## Our Newsletter

View our Fall 2019 issue of “Provider Pulse” for updates on claims and billing, policies and procedures, quality care, plan changes and more. Highlights include:

- How we are utilizing text messaging to close gaps in care for Advantage MD members
- Introducing new diabetes management and prevention programs
- Policy and code updates
- Reminder to enroll in ePrep by Dec. 1

*Please contact the JHHC Provider Relations department at 1-888-895-4998 with any questions or concerns*
