Changes to Place of Service Codes for Telehealth Services

Effective Date: Jan. 1, 2022 and April 1, 2022

Health Plans Affected: Johns Hopkins Advantage MD, Johns Hopkins Employer Health Programs (EHP) Johns Hopkins US Family Health Plan (USFHP)

Type of Change: New Place of Service Code

Explanation of Change:

JHHC would like to inform you of a new Telehealth place of service code from the Centers for Medicare and Medicaid Services (CMS):

- **Place of Service Code 10:** Telehealth services provided in the patient's home. *Per CMS: The location where health services and health related services are provided or received, through telecommunication technology. Patient is located in their home (which is a location other than a hospital or other facility where the patient receives care in a private residence) when receiving health services or health related services through telecommunication technology.*

This new code is effective Jan. 1, 2022 for EHP and USFHP and April 1, 2022 for Advantage MD*.

For more information, please visit the [CMS website](#).

*NOTE: This place of service change does not apply to Priority Partners.
