

Provider Notice

Provider Relations Department | 1-888-895-4998

This update contains pertinent information about changes that will impact the Johns Hopkins HealthCare provider network.

USFHP Pharmacy Fax Number

The Johns Hopkins HealthCare (JHHC) Pharmacy Department has launched a new fax number that will serve as the single fax number for all USFHP Pharmacy requests.

To initiate a request, please complete the applicable [online forms](#).

Please fax the completed form and any additional supporting progress notes to the Pharmacy Department at 410-424-4037.

Please contact the JHHC Provider Relations department at 1-888-895-4998 with any questions or concerns.
